Saturday Night Dinner Discussion

"I thought I had a really good round but I didn't even place!?"

How many times have you or your fellow competitors been surprised by your results in the Hunter and Equitation divisions. How often do parents watch in utter confusion as their child goes around in what they think is a good round but then they don't place?

Here's your chance to be educated by one of this country's finest horsewomen and judges! Julie Winkel, a top USEF rated judge and clinician, will be joining us to help us understand how our merits and mistakes are reflected on a judges card.

**Join us November 18th with Julie Winkel at the Hilton Del Mar
at 6:00 pm for a fun and informative evening!**
