The GSDHJA championship horse show is run in accordance with the rules and specifications of the GSDHJA guidelines and the current USHJA Equestrian rulebook. A Show Steward shall be on the grounds.

Conditions of entry: Each horse entered for competition shall be subject to the control of the horse show management. However, the show management shall, in no case, be responsible for any personal injury or property damage caused to or by the horse. Each exhibitor, in entering the horse show, releases the horse show management, the Del Mar Fairgrounds, GSDHJA, the AHSA, and their respective directors and employees from any and all liability for personal injury or property damage arising out of the exhibitor's attendance at the horse show including any injury or damage caused by or to the exhibitor's horse(s). Each exhibitor shall hold the horse show management, the Del Mar Fairgrounds, GSDHJA, the AHSA, and their respective directors and employees free, clear, and harmless from any and all claims and demands whatsoever for personal injury or property damage arising out of the exhibitor's attendance at the horse show. Each exhibitor is advised that he/she is participating in an inherently dangerous sport, which is subject to the possibility of serious property damage, personal injury or death. By participating in the horse show and in such sport, each exhibitor assumes the risk of all such injury or loss. By entering the horse show, each exhibitor acknowledges and consents to the above stated conditions.

Entries and Late Entries: Entries must be submitted online by SEPTEMBER 25th. Online entries may be submitted at www.showgroundslive.com. Returned checks will incur a \$50 penalty. Entries received after due date will incur a \$100 fee.

RDNE: There will be a \$10 fee assessed for each class a rider rode in but was not entered, which shall be double the regular entry fee. **Cross Entries:** Breaking cross entry restrictions shall result in a forfeit of prizes and points in the lower division. Additionally, riders may be charged for the cost of the awards distributed if they cannot be returned in usable condition

Refunds, Adds, and Scratches: Stall fees and nomination fees are NON-REFUNDABLE UNDER ANY CONDITIONS. Stall fee may be transferred to a new entry, but nomination fee is forfeited with scratch. **Scratches** will be allowed, and refunds given, for **non-pointed classes** (classes that do not count towards year-end awards) if scratch is completed by 6pm the day prior to when the class is scheduled to run. Scratches for **pointed classes** are non-refundable after the close of entries, unless cancelled by show management, or unless a statement signed by a veterinarian (or medical doctor for junior/amateur riders) is submitted stating that the horse (rider) is unable to perform in the classes entered prior to the start of the show/class. If you fail to scratch the class altogether you will be charged the full class fee. **Adds** submitted after the close of entries will be assessed a \$5 fee per class.

Class Specifications

MAIDEN LIMIT NOVICE EQUITATION CLASSES

Maiden Eq – Open to jr/am riders who have not won a blue ribbon in equitation

Novice Eq – Open to jr/am riders who have not won 3 blue ribbons in equitation

Limit Eq – Open to jr/am riders who have not won 6 blue ribbons in equitation

Open Equitation classes, medal classes, Green Rider Equitation and the M/N/L equitation classes count towards your status. Wins in equitation classes that are run in conjunction with Crossrails and Short/Long Stirrup do not count towards your M/N/L status.

Wins in eq over fences count against your flat eq status, but wins on the flat do not count towards your over fences status. If you have won 4 blue ribbons over fences, you are ineligible to ride in maiden or novice eq flat or over fences *even* if you have never won a flat eq class.

If you have won your way out of one of the categories during this show season, but BEGAN the show season eligible for that category, you can still compete in that category at the Championship show.

Don't remember how many times you won? Look up your show record (or your clients) on www.horseshowtime.com. You can't look it up on the GSDHJA site as we only track Open Equitation points and not M/N/L points. PLEASE DO NOT GUESS!! The M/N/L equitation classes are *infamous* for creating controversy at shows when riders compete in a section that they were not eligible for!

Eligibility

A- Show Rule

Trainers, Riders, and Owners must all be members in good standing in order to compete in the Championship Show. Horses and/or riders must have earned (1) point during the current show year in all GSDHJA Recognized classes in order to compete. There is no specific 'A' show rule for the 2023 Champ Show.

2023 Year End Prize Qualification

In order for a horse to be eligible for a year end award in a hunter or jumper division in which points follow the horse, it must have shown a minimum of 3 times in that division. In order for a rider to be eligible for a year end award in an achievement or equitation division in which the points follow the rider, they must have shown a minimum of 3 times in that division.

Championship Show Eligibility

- 1) In order to compete at the Championship Show and/or accrue points towards GSDHJA Year End Awards, RIDERS, OWNERS (if different than riders) and RIDER'S TRAINER must be members in good standing.
- 2) In order to compete at the Championship Show in any GSDHJA Medal Finals, rider must have earned a certain number of points in that class during the current show season (see [Points page](#) under Medals).
- 3) In order to compete at the Championship Show in any hunter, jumper and/or equitation class horse/rider must have earned at least one point in that division during the current show season. By division we mean all of Short Stirrup, or all of Green Riders, so if you earned a point in Short Stirrup Hunters O/F then you are automatically qualified to ride in ALL the classes of the Short Stirrup division (i.e. SS u/s, SS Eq O/F, SS Eq flat).

Cross Entry Crossrails/Short Stirrup

At the champ show riders may compete in Crossrails 2x around AND Crossrails Course OR Crossrails Course AND Short/Long Stirrup. Riders MAY NOT Compete in Crossrails 2X around and Short/Long Stirrup. If a rider is competing in BOTH Crossrails 2x around AND Crossrails Course, then only the higher placing of their two hunter classics, hunter under saddle classes, equitation over fences, and equitation flats will count for year end points.

Green Riders & the GSDHJA Hunter Derby

Can riders competing in Green Riders can do the 2'6 section of the Hunter Derby even though the option fences are 2'9?

YES! GREEN RIDER HUNTER riders MAY ENTER THE 2'6 SECTION OF THE HUNTER DERBY. Don't forget that by competing in the Hunter Derby that rider would be ineligible to compete in Green Rider next season, per the [GSDHJA rules](#) that Riders also competing at 2'6 may only enter Green Rider if in their 1st season of showing 2'6.

Open Equitation Flat Over Fences

Can riders who compete in the higher hunter or jumper divisions can drop down in order to compete in their age group eq over fences?

The answer is YES! If you, for example, are 11 years old and compete in 2'9 hunter or jumper divisions, you can drop down and ride in 11 & under eq over fences (2'3) even though it is a height difference of 6" or more.

The reverse is not true though. If you ride in a lower H/J division (say long stirrup hunters at 2'0), and you are 15, you cannot compete in the 14-17 equitation over fences which jumps at 2'9. So for those of you who are competing in a hunter jumper division level lower than what your age group eq jumps at, the difference can only be 3", any more than that is a cross entry restriction.
